YRSA National Championship Subsidy Policy

April 2018

Overview

The YRSA encourages Clubs and Teams to strive for excellence in their playing season. When a team has advanced to a Canadian championship, through an Ontario Cup, travel expenses can be substantial. In order to assist teams in attending a National championship, the YRSA offers a travel subsidy program to offset a portion of the cost.

Funding Outline

- If the tournament is within 200 km, using the outside boundary of the YRSA district, the team will receive \$1000.00
- If the tournament is anywhere else in Canada, the team will receive \$2500.00.

Conditions

- Teams must be registered with a YRSA member Club. It may be a senior-only, or full-service club.
- The team must actually attend the National Championships. If the team does not attend, after having received the YRSA subsidy, the funds must be re-paid to the YRSA.
- Funds will be issued by cheque to the Club. The Club will then disburse the funds to the team.
- The travel subsidy must be requested using National Competition Travel Subsidy Application Form.
- The application form must be submitted to the YRSA a minimum of two weeks before the funding is required.
