# PENALTY KICK

## ASSISTANT REFEREE POSITION

- Stands at the intersection of the penalty area and the goal line
- Monitors infringements by the goalkeeper
- Signals if a goal has been properly scored
- Returns quickly to the touchline if the ball remains in play

# PENALTY KICK

## PROCEDURE

- After the players have taken positions in accordance with this Law, the referee signals for the penalty kick to be taken
- The player taking the penalty kick must kick the ball forward
- He must not play the ball again until it has touched another player
- The ball is in play when it is kicked and moves forward

# PENALTY KICK

- Lets look at Clip 1
- Feinting as a player approaches the ball is permissible.

# PENALTY KICK

- Lets look at Clip 2
- As this player approaches ball the non kicking foot is planted
- The player does not kick the ball (feints)
- Causes the goalie to move then the player kicks the ball
- This is NOT PERMISSABLE

# PENALTY KICK

- Feinting in the run-up to take a penalty kick to confuse opponents is permitted as part of football. However, feinting to kick the ball once the player has completed his run-up is considered an infringement of Law 14 and an act of unsporting behaviour for which the player must be cautioned
- FIFA interpretation of the law

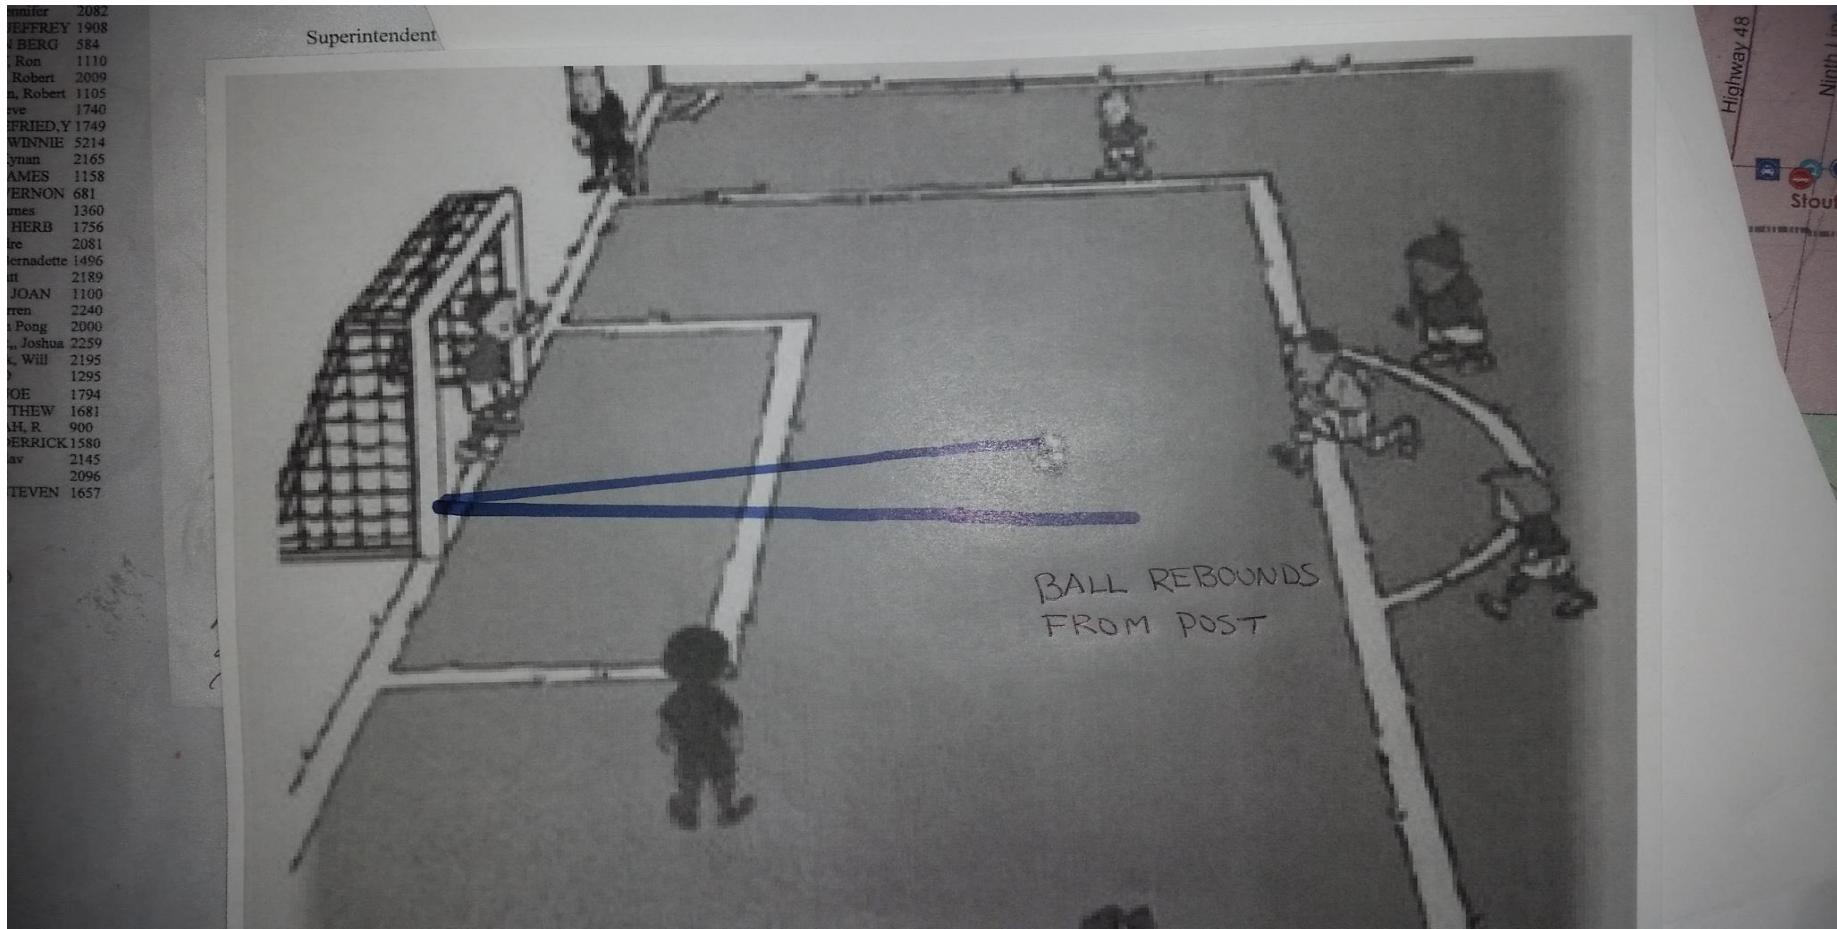

# PENALTY KICK

- When a penalty kick is taken during the normal course of play, or time has been extended at half-time or full time to allow a penalty kick to be taken or retaken, a goal is awarded if, before passing between the goalposts and under the crossbar:
  - the ball touches either or both of the goalposts and/or the crossbar and/or the goalkeeper
- The referee decides when a penalty kick has been completed

# PENALTY KICK

- If, after the penalty kick has been taken, the kicker touches the ball again (except with his hands) before it has touched another player:
- an indirect free kick is awarded to the opposing team, the kick to be taken from where the infringement occurred

- Kicks from the penalty mark are not part of the match
- It is a method of determining the winner of a match that is tied after regulation time and (if used) extra time.

# KICKS FROM THE PENALTY MARK

- PROCEDURE
- Referee chooses the goal at which the kicks will be taken
- Referee tosses a coin and the team whose captain wins the coin toss decides whether to take the 1st or the 2<sup>nd</sup> kick
- Referee keeps a record of the kicks being taken (AR at centre circle should be keeping record)

# KICKS FROM THE PENALTY MARK

- Both teams take 5 kicks subject to certain conditions
- Kicks are taken alternately by the teams
- If both teams have taken 5 kicks, one has scored more goals than the other could score, even if it were to complete its 5 kicks, no more kicks are to be taken

# KICKS FROM THE PENALTY MARK

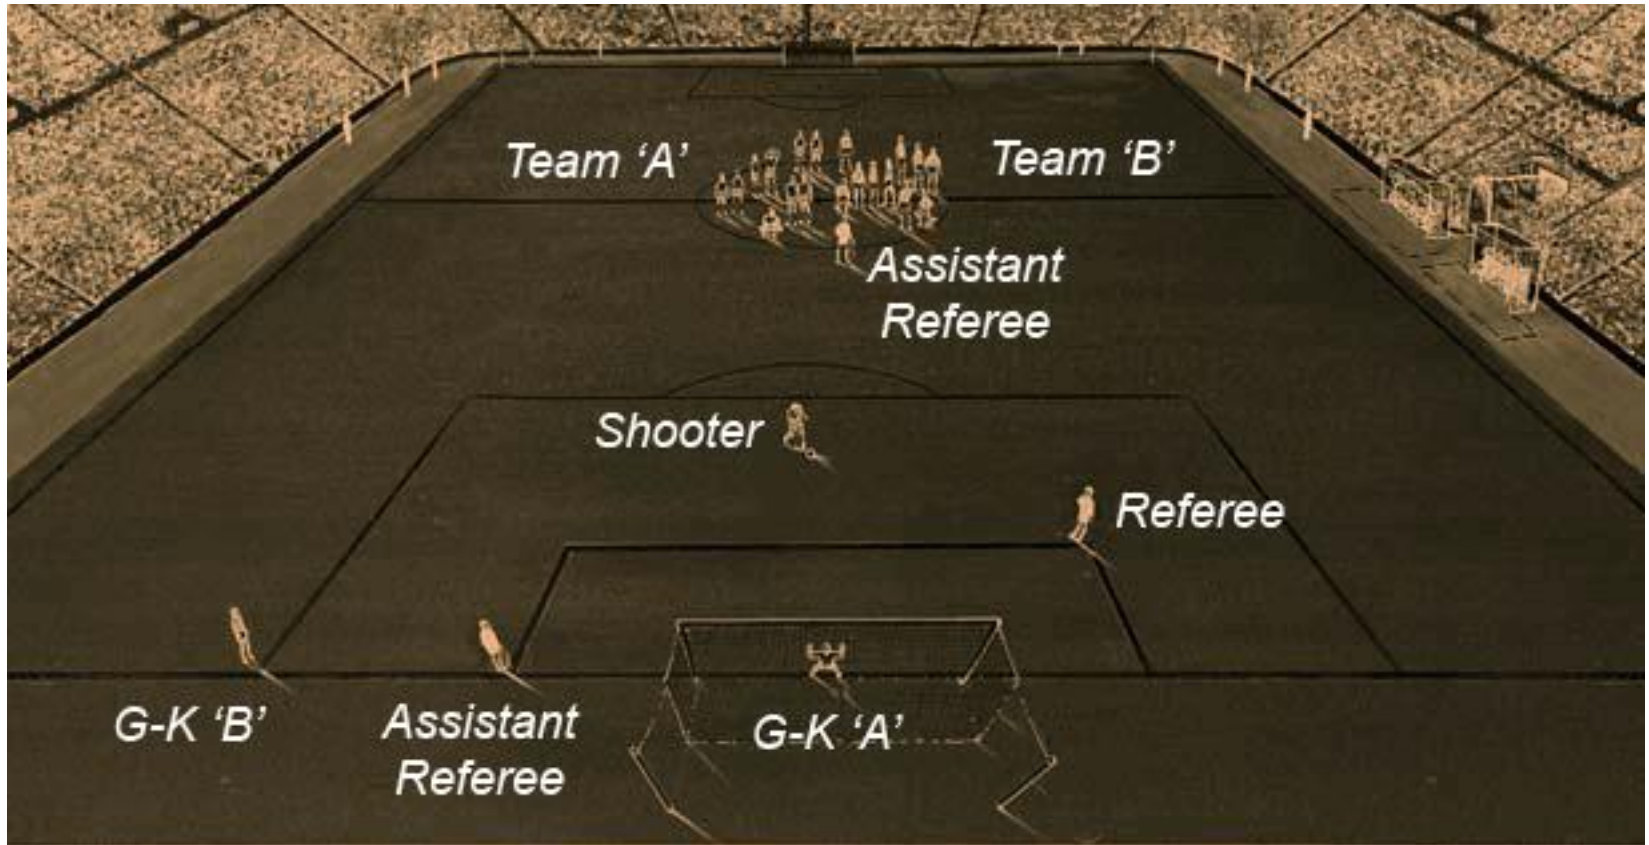

- If, after both teams have taken 5 kicks, both have scored the same number of goals, or have not scored any goals. Kicks continue to be taken in the same order until 1 team has scored a goal more than the other from the same number of kicks.
- Once all eligible players have taken a kick from the penalty mark, the same sequence does not have to be followed as in the 1<sup>st</sup> round of kicks.

# KICKS FROM THE PENALTY MARK

- Each team is responsible for selecting the players from those that are on the field of play at the end of the match and the order in which they will take the kicks
- Each kick is taken by a different player and all eligible players must take a kick before any player can take a 2<sup>nd</sup> kick
- Only eligible players and match officials are permitted to remain on the field of play when kicks are being taken

# KICKS FROM THE PENALTY MARK

## Players and Match Officials Position

# KICKS FROM THE PENALTY MARK

# KICKS FROM THE PENALTY MARK

- A goalkeeper who is injured while kicks are being taken from the penalty mark and unable to continue as a goalkeeper may be replaced by a named substitute (subject to maximum number of substitutes allowed)
- Only players who are on the field of play at the end of the match, which includes extra time where appropriate, are allowed to take kicks from the penalty mark

# KICKS FROM THE PENALTY MARK

- A player other than the goalkeeper who is injured may not be substituted during the taking of the kicks
- An eligible player may change places with the goalkeeper at any time when kicks are being taken **IF THE REFEREE IS NOTIFIED**

# KICKS FROM THE PENALTY MARK

# KICKS FROM THE PENALTY MARK

## Positioning of Officials and Goalkeepers

# KICKS FROM THE PENALTY MARK

- When a team finishes the match with a greater number of players than their opponents, they shall reduce their numbers to equal with that of their opponents and inform the referee of the name and number of each player excluded
- The team captain has this responsibility

# KICKS FROM THE PENALTY MARK

- Before the start of the kicks the referee shall ensure that only an equal number of players from each team remain with the centre circle and they shall take the kicks

# KICKS FROM THE PENALTY MARK
