Games that are assigned by the Ontario Soccer Association are done with the zone process. With this process referees are asked to identify the zones that they are willing to officiate in by completing the form below. Each district in the province is listed below a zone.

In 2008 the games which are assigned by the OSA using this process are

Ontario Cup Open Men, Open Women, U21 Men, and U21 Women divisions only  
Ontario Cup Semi Finals and Finals (youth)  
Ontario Universities Athletics  
United Soccer League (PDL, W League, Super Y and Super -20 League)

If you wish to be considered for any of these games you must also select them in Preferences Leagues and then Preferences Divisions

For provincial assignments the OSA Zones is used rather than district and field preferences

It is assumed that referees for these games are prepared to travel further

We still give a referee 3 choices, so an Ottawa referee doesn't have to go to Windsor if he does want to
