

Ref Centre is the easiest, most reliable way to assign referees.

Combining a user friendly interface, and rich functionality for both referees and administrators, Ref Centre is the premier tool for online referee assignment and scheduling.

But Ref Centre is more than just an assignment tool. You can also use Ref Centre for

- Calculating a referees pay
- Receiving online red and yellow card reports
- Registering referees
- Scheduling assessors
- Generating assessment reports
- Managing fitness tests
- Course management for new and returning referees
- Communicating with your referees

Ref Centre is the most complete referee management system on the market.
